Subject: Regarding Industrial Visit by AIUB Students

Dear Sir,

This letter is to confirm that on 20<sup>th</sup> September 2024, a group of students from the Computer Science and Engineering (CSE) department of American International University-Bangladesh (AIUB), including Md Noman Islam and three other students, visited Brain Station 23 Plc. for an industrial visit.

During the visit, the students were given a comprehensive overview of our business operations, with a particular focus on the role and responsibilities of Business Analysts in software projects. They had the opportunity to observe the work environment, interact with our team, and gain practical insights into the processes involved in Software Requirements Engineering. We appreciate their enthusiasm and interest in learning from the industry, and we were pleased to host them for this educational visit. Please feel free to contact us if further verification is required.

Best regards,

Human Resources Department
